

Onel., our angel..!!
You ruled our hearts...,
You stirred our lives...,
We saw you chirping.,
We saw you dancing.,
We heard you singing.,
We saw you playing.,
We saw your excellence.,
At last...,
We saw you in flames too...!!
You may be in other world,
But we never feel,
You left us..!!
May God assign you to,
light up his own world.
We miss you, betu..!
